If you are not able to function at your assigned Mass please call a substitute. Father really depends on your help.

Joe Hughes will be an Alternate Minister. He will be willing to substitute if he is available: 610-485-7055.

Father has requested that all Extraordinary Ministers arrive at least 15 minutes before Mass. This is to ensure that there are hosts in the tabernacle and that the Offertory Table is properly prepared with hosts, water and wine.

Thank you and May God Bless you! Judy
